

COOPERATION AGREEMENT

Parties to the agreement: **Järva municipality** from the Republic of Estonia and **Ilmajoki municipality** from the Republic of Finland.

Directions of cooperation:

- Green transition
- Environment (business environment, living environment, community)
- Tourism
- Innovative solutions
- Administrative experience exchange

Content of the agreement:

By signing this agreement, Järva municipality and Ilmajoki municipality assume the following obligations and responsibilities:

To learn from each other and exchange experiences at all levels of local life;

To contribute to the launch of joint projects and enable local people, organisations and entrepreneurs to participate in cross-border activities in today's Europe;

To support the development of friendship between the two countries through cultural, sports, social, tourism, educational and economic activities;

To organise regular mutual meetings in order to further develop relations between the institutions, organisations and peoples of the two local governments.

The joint desire of the municipalities of Järva and Ilmajoki is to consolidate friendship and expand mutual ties in order to contribute to lasting peace in Europe.

This friendship agreement can only be changed by mutual agreement. Any changes must be approved by both parties. The parties must immediately notify each other of changes in their legislation that may affect the performance of this agreement.

The agreement is signed by both parties.
